

Will Rogers

Thomas Daniel Valls

The stubborn tops are playing catch with their balls and you're carrying both bags because my back stiffed up last night sitting on your couch.

The panini isn't spicy like Ralph's had said.

You missed out on the dolphins walking to the bathroom.

The rolling-in Maritime layer turns the light to black and white, and there are sailboats and seaweed clouds like seals,

It's as though we're in Oregon, but with palms.
